

Guillermo Fernandez, MSMIS

FULL STACK WEB DEVELOPER

Profile

Passionate and productive web developer with a strong work ethic and a desire for constant improvement. Dedicated to learning additional technologies and coding languages. Looking for an entry-level position at a great company to be a hard-working asset to any team, to learn, grow and develop long-term. My career has led me to work with diverse teams in both support and leadership positions. I have led projects with budgets from \$1M to \$11M from inception through delivery and can communicate effectively at all organizational levels (English and Spanish).
